

Low Voltage Transformer for Halogen Lamps

Class F insulation system
 Screw Terminal 1.5 - 4.0 mm²
 Approved by the SII
 Vacuum impregnated with polyester resin
 Long life - t_w 130
 Energy saving
 Low maintenance cost
 Complies with VDE & IEC
 Acc. to EN 61558

Core	Ref. No.	Rated Power	Line Voltage	Output Voltage	Line Current With Load	ΔT	Weight
mm		W	V/Hz	V	A	°C	Kg
85	822	50VA	230 / 50	11.4	0.27	60	0.9

Thermal switch is available upon request
 Other voltages are available upon request
